

TWENTY TWENTY ONE AFRICA EXPORT SOLUTIONS LTD

Subsidiary of 2021 Investments Limited

About the Company

Twenty Twenty One Africa Export Solutions Ltd. is a leading horticultural export enterprise established to connect Africa's agricultural abundance with global markets. As a subsidiary of 2021 Investments Limited, the company operates under strong corporate governance and a strategic investment framework focused on long-term value creation. The company produces, sources, and exports premium fruits, vegetables, and herbs to international markets across Europe, the Middle East, and Asia.

The company has its own farm and works closely with smallholder farmers, supporting compliance with international standards such as GlobalG.A.P., and enhancing sustainable agricultural practices. Our business model integrates farmer partnerships, strict quality control systems, modern post-harvest handling, and efficient export logistics to ensure freshness, traceability, and reliability in every shipment.

Through inclusive partnerships, Twenty Twenty One Africa Export Solutions contributes to rural livelihoods while strengthening Kenya's position as a global horticultural leader. The company was established to capitalize on Kenya's comparative advantage in horticultural production. Kenya remains one of the world's leading exporters of fresh vegetables and fruits with favorable climatic conditions, diverse agro-ecological zones, and a highly experienced farming base. The company comprises professionals with expertise in agronomy, agricultural economics, export logistics, quality assurance, and international trade.

VISION: To become the leading horticultural export brand recognized globally for quality excellence, ethical sourcing, innovation, and sustainable value creation across the fresh produce supply chain.

MISSION: To supply premium fresh fruits, vegetables, and herbs to international markets through structured farmer networks, certified production systems, rigorous quality assurance, and efficient cold-chain logistics while promoting environmental stewardship and inclusive economic growth.

Core Values

At Twenty Twenty One Africa Export Solutions Ltd., our success is built on a clear set of principles that shape our culture, guide our decisions, and define how we engage with farmers, partners, and international markets. These core values anchor our operations across the horticultural value chain and ensure that as we grow, we do so responsibly, competitively, and sustainably.

- **Quality** - We deliver premium produce that meets strict international standards from farm to destination market.
 - **Sustainability** - We promote environmentally responsible farming and long-term agricultural resilience.
 - **Integrity** - We operate with transparency, traceability, and full regulatory compliance.
 - **Partnership** - We build strong, inclusive relationships with farmers, buyers, and stakeholders.
 - **Innovation** - We continuously improve our production, logistics, and export systems to remain globally competitive
-

Core Business & Product Portfolio

Twenty Twenty One Africa Export Solutions specializes in the export of high-demand horticultural produce including Avocados (Hass and other export varieties), French Beans (Extra Fine & Fine), Snow Peas and Sugar Snap Peas, Baby Corn, Capsicum (Mixed Colours), Chillies (Bird's Eye & Long), Mangoes (Apple, Kent, Ngowe), and Fresh Herbs such as Basil, Mint, Rosemary, Thyme, and Coriander, among other horticultural produce.

Market Focus – Europe, Middle East & Asia

The company strategically targets established and emerging import markets in the European Union (EU), the United Kingdom, the Gulf Cooperation Council (GCC) region, and selected Asian markets. Our export strategy aligns with strict phytosanitary, traceability, and food safety standards required in these markets.

Products Portfolio

The company exports high-demand horticultural produce including Hass Avocados, French Beans, Snow Peas, Sugar Snaps, Baby Corn, Capsicum, Chillies, Basil, Mint, Rosemary, Thyme, Coriander, and other specialty vegetables and herbs cultivated in Kenya's prime agricultural regions.

Sustainability & ESG Commitment

Twenty Twenty One Africa Export Solutions is committed to sustainable agricultural practices and responsible business conduct. We promote soil and water conservation practices, integrated pest management, reduced post-harvest losses, ethical labor standards, and fair engagement with smallholder farmers. Through structured sourcing models, the company contributes to rural income generation, capacity building, and inclusive economic development while protecting environmental resources.
